- and furthermore to do all that is directly or indirectly connected therewith or may be conducive thereto, all to be interpreted in the broadest sense, provided that it is in the public interest.

The abovementioned objectives serve the general interest.

**Message from the board**

In 2018 first donations were made. Although not numerous we have been making sure that all of them meticulously correspond to the goals and objectives of the Foundation. In 2019 we will focus on expanding our activities in support of education, healthcare and (political) research.
