

## **Activity report 2019**

We have continued the support to one of the schools of an Israeli education institution according to a multiple-year donation agreement signed in 2018.

Also the following donations were made:

- to a Dutch organization providing help and support to poor and mentally ill people in Israel and outside of the country;
- to a UK hospital as a voluntary gift;
- to an Israeli social organization investing in the community by bridging between the business world and societal needs;
- to an Israeli educational youth village and a boarding school for students of 7<sup>th</sup> – 12<sup>th</sup> grade;
- to an Israeli association for children and adults with learning disabilities.
